

Registration for the Freedom Elementary 7th Annual Science Fair April 22nd, 2010

The Science Fair is a little more than one month away! Are you busy conducting experiments?

To help us get ready, we need you to tell us what scientific question you are trying to answer for the fair. We will print it in the Science Fair Program.

Also, let us know whether you would like to purchase a display board (\$3, please include the money with the bottom return slip). We'll order it and will deliver it to your classroom.

Please return the bottom form to your teacher by Friday, March 19th.

Here is my Scientific Question:

Name: _____ Teacher: _____

Yes _____ I need a display board.
(please enclose \$3, check, payable to Freedom PTA, or cash)
